Lumiere Vrai Would Like To Photograph Your Birth Experience

Emma from Lumiere Vrai aims to put together a photo essay of the birth of new life. She would like to photograph the experience of Labour, Birth and the moments afterwards to capture the emotion as everything unfolds. This would mean being there quietly observing with the camera, she has no requirement for posing or graphic shots. Emma would like to use the photos in her portfolio and will be happy to supply the parents with a CD of the photographs. If you would like to discuss this further please contact Emma at www.lumierevrai.com or telephone her on 01327 855402 | 07974 739880.
